Dos and Don'ts for Guests/awardees/participants

Welcome all of your good selves, for the world's greatest program, THE BHARATHA BHAGYAVIDAATHA MAHATMA GANDHI NOBEL AWARDS

We are all on a Mission to showcase our achievements, India's greatness to the world & celebrate on UK & USA soil, with Indian flavour, and ofcourse through you.

Lets re-check our preparedness to maximize the word and spirit of this celebrations - for the world is watching all of us-closely and pointedly, and India will be the person who will get 'branded' for our thoughts, words and deeds.

UK is a RIGHTS based nation and everyone has a right to demand visitors to behave in Orderliness with them; failing which they can sue us in their Courts and secure compensations, in Pounds/USD and in 1000s.

You might like a dry-run at your home atleast a couple of days before your date of travel.
